## GREEN SYSTEMS AWARENESS CERTIFICATION

***GREEN AWARENESS IS THE UP AND COMING CLASS. THE CONTRACTORS ARE ASKING MEMBERS TO BE CERTIFIED IN GREEN.***

We are offering a **Green Systems Awareness Certification Class**. This class provides an introduction to energy efficiency, management and alternative energies. Comfort heating and cooling, heating systems and optimized steam systems, Greenchill and the practical application of green refrigeration systems. The electrical portion discusses energy production and lighting. The plumbers section provides material on water conservation, flow control, high efficiency fixtures, hot water systems, gray water, reclaimed water, landscape irrigation and fire sprinklers.

Green Systems Awareness certification examination consists of a 100 question multiple choice, open book, computer only examination. A score of 80% or above in each of the four areas of the Green Awareness Manual – **CORE, Electrical, HVAC, Plumbing** – **must be achieved on the examination to attain a 3 year UA certification.**

Class Dates: **Colton Training Center** (223 S. Rancho, Colton CA 92324)  
**Sat & Sun:** **Sept 10, 11 & 17, 2011**  
**Time** **8:00 a.m. - 4:30 p.m.**

In order for your name to be added to the roll sheet, you must call our office and R.S.V.P. no later than **September 1, 2011**. **The fees will be waived for D.C. 16 members**. You must notify us 2 days prior to the class if you wish to cancel. **\*\*Students who do not belong to District Council 16 MUST pay a \$150.00 non-refundable class fee and a book fee of \$38.00.**

The **Green Awareness Book and Binder will be in class for your use to borrow**. Bring pen and paper. Please do not write in them so that you will NOT be charged for them as long as they are returned at the end of class.

The first **15** to R.S.V.P. with me are admitted to class! Your computer test session needs to be ordered two weeks in advance, so no walk-ins will be accepted.

Thank you for your interest.
